Summary

I hold a Diploma in Engineering in Information Technology from the Government Polytechnic Kanpur, and I'm currently enrolled in PSIT Kanpur's Bachelor of Technology program in Computer Science and Engineering. I love to code, and I design websites using Python, Django, Bootstrap, HTML, and CSS. Additionally, I am conversant with MySQL. In my spare time, I like to read and code. My level of English is intermediate. I'm eager to learn more about in the field of IT and develop my computer-related skills. My ability to learn quickly, be motivated by myself, and have self-confidence is a strength.
