Lorem ipsum dolor sit amet, consectetur adipiscing elit. Proin porttitor scelerisque turpis, pulvinar fringilla justo auctor quis. Cras suscipit tortor vel dolor sodales, ac varius magna euismod. Donec felis libero, sodales a luctus sed, congue vel lacus. This is some more filler to make it look as though the text is going right up to the end of the image before it starts again on the line below. More filler etc etc etc etc etc This is some more text which now starts from below the image...
