

Cnooc Oil Base Group Ltd.

No.25, Chaoyangmenbei Dajie

Dongcheng District, Beijing

100010,P. R. China

Tel: 86 10 8452 1010

www.cnooc.com.cn

Attention;

We are exporter's base in China; we deal on oil exploitation, technical service, chemicals, fertilizer production, refining, natural gas, power generation, financial services, logistic services and new energies development. Visit our corporate website: www.cnooc.com.cn

We have costumers in Europe, America and Canada; we have customers all over the globe most especially, Canada, America and United Kingdom.

Our company (CNOOC) was established in 1982. We are interested in employing company services to work with us as our payment agent in Canada and America; customers will make payments to you on our behalf for goods and raw materials we supplied to our customers in Canada and North America.

So as a representative your job is to contact our customer that are owing us some outstanding bills because we are getting it difficult to do so, as soon as we have send you an approval letter we will be sending you the contact details of our customer in your region.

We need you to fill and return the form below then we shall send you an approval for you to work with us as an international agent for our company, you shall serve as a link between us and our clients and you will also be responsible for the collection of payments from customers within your region on our behalf.

Note that you shall be on a 10% commission on every transaction you carry out on behalf of our company that will be your pay.

Most payment ranges from \$300,000.00 to \$3.3 Million US Dollars Please if you are interested forward the following info to us:
