

Dear Valued Confidant,

This mail may come to you as a surprise but plead with you to patiently read through it before making a decision whether to assist me or not I want a partnership that can help me invest my funds in properties or any other good project. The dollars note has stamp stain. We need to remove the stain on the funds first, before we can invest it. I will give you 30% as your commission after the cleaning of the said funds. Let me know if that is okay for you.

I can make arrangement to move the funds to the (United Kingdom, GREAT BRITAIN) and we can clean the funds there. But I need to know how capable you are to handle/execute this project. Meanwhile, there is a chemical that can remove the stamp stain, and I know that we can get this chemical in the UK. If you are interested to assist, you will buy the chemical to remove the stain on the funds, I will make arrangement to move the funds to the United Kingdom for cleaning.

Due to the confidentiality surrounding this business transaction, I suggests that you contact me only through my private e-mail address: [janemeyer.sa@post.com](mailto:janemeyer.sa@post.com) for now, until further notice.I am looking forward to a favorable reply from you soon.
