

Client Care Information:

We have been updating our database and assigning past customers a unique client care **identification code** and **custom website link**.

By using your Custom Website link we will be able to determine that you are present customer and therefore will not require a prescription. This will also credit you with discounts on all orders of our *Viagra* and *Cialis* products.

Identification Code:

0097

Custom Website Link:

<http://www.0097.tzfarcvrtegreat.com>

We hope you enjoy our new system;
