

JSR77.6.24 JMSStats extends Stats

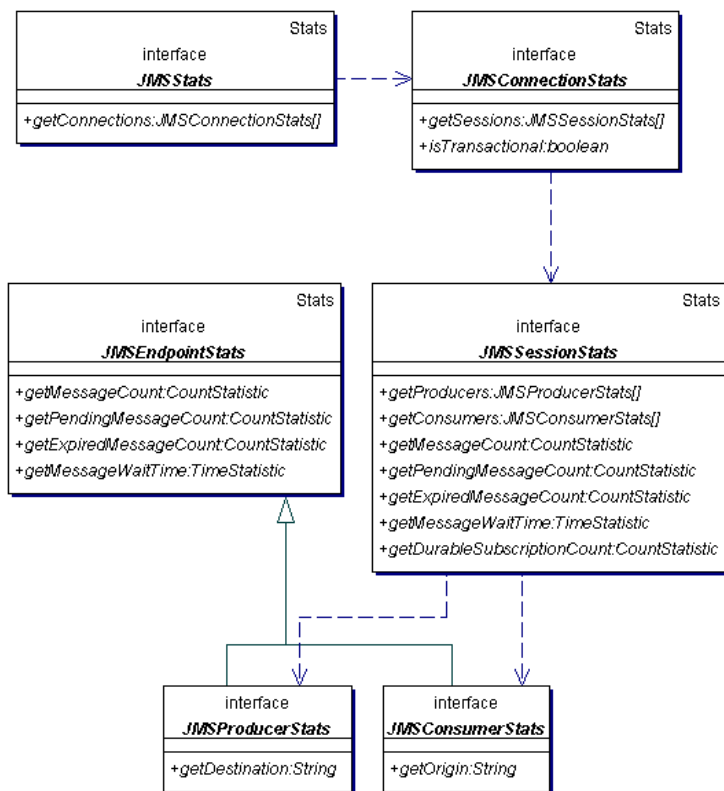

Figure JSR77.6.7 JMSStats, JMSConnectionStats, JMSSessionStats, JMSProducerStats, JMSConsumerStats

The JMSStats interface specifies the statistics provided by a JMS resource.

JSR77.6.24.1 Operation Detail

JSR77.6.24.1.1 getConnections

JMSConnectionStats[] getConnections()

Returns a list of JMSConnectionStats that provide statistics about the connections associated with the referencing JMS resource.
