

It seems that is your phone. You may not know me and you are probably wondering why you are getting this e mail, right?

actually, I setup a malware on the adult vids (porno) web-site and guess what, you visited this site to have fun (you know what I mean). While you were watching videos, your internet browser started out functioning as a RDP (Remote Desktop) having a keylogger which gave me accessibility to your screen and web cam.

What did I do?

I backedup phone. All photo, video and contacts.

I created a double-screen video. 1st part shows the video you were watching (you've got a good taste haha . . .), and 2nd part shows the recording of your web

exactly what should you do?

Well, in my opinion, 700\$ is a fair price for our little secret. You'll make the payment by Bitcoin (if you do not know this, search "how to buy bitcoin" in Google).

My Personal Bitcoin Address:

1AjgBp2S3GuD9ppySTZWgqsBpixDNosbDU

(It is cAsE sensitive, so copy and paste it)

Important:

You have 4 full days in order to make the payment.

(I've a unique pixel in this e mail, and at this moment I know that you have read through this email message). If I do not get the BitCoins, I will certainly send

out your video recording to all of your contacts including relatives, coworkers, and so on. Having said that, if I receive the payment, I'll destroy the video immidia

If you need evidence, reply with "Yes!" and I will certainly send out your video recording to your 6 contacts.

It is a non-negotiable offer, that being said don't waste my personal time and yours by responding to this message.
