

Call for papers

**Sixth International Meeting of the Association for the Philosophy of Mathematical Practice.**

30 June - 3 July, 2021

The meeting will be held as a Virtual Conference, through Zoom provided by Chapman University.

We invite submissions on any areas connected to the philosophy of mathematical practice, both by professional philosophers of maths, and any scholar interested in reflecting on mathematical practice (its nature, its contents, its history), as well as from master and PhD students and post-doc (which are strongly encouraged to send proposals, indeed).

A title and abstract (250-500 words together with 2 or 3 keywords) should be submitted before 5 March, 2021 via e-mail addressed to the chair of the Scientific Committee of the meeting: Carmen Martinez Adame, [cmadame@gmail.com](mailto:cmadame@gmail.com)

Notification will be sent out by 5 May.

**Registration**

The details on how to register for the conference will become available in due course.
