Welcome to Interior Health. We're all about giving people room to grow, room to contribute, room to impact, room to make a significant, personal contribution and room to make a huge difference in the lives of others. For a challenging, growth-oriented career in a beautiful natural setting where balanced lifestyle choices abound, come to Interior Health and help us in our quest to set new standards of excellence in the delivery of health services in the province of BC.

Position/Summary:

Responsible for the provision of Pharmacy-related Information Systems support to facilities within Interior Health.

Qualifications:

Education, Training and Experience:

- Graduation from an accredited Faculty of Pharmacy and current licensure with the College of Pharmacists of British Columbia.
- Two years recent experience in a hospital pharmacy practice setting, preferably using the MEDITECH operating software.
- Working knowledge of basic computer programming, including MAGIC.
- Supervisory skills are an asset. Active membership in the Canadian Society of Hospital Pharmacists is encouraged.

Skills and Abilities:

- Ability to communicate effectively, both verbally and in writing.
- Ability to organize work.
- Ability to operate related equipment and software.
- Ability to teach.
- Ability to deal with others effectively.

Interior Health thanks all candidates for their interest. Only those selected for an interview will be contacted. If you would like information on this Health Service Area, please click on the Regions link on our Careers page.

How To Apply:

You must first login or create an applicant profile before you can apply for this position. If you require assistance with this process, please proceed to the 'Careers' home page www.roomtogrowbc.ca for instruction.
