

The table below has a row for each `\blank[#1]` keyword, and three columns:

- column 1 demonstrates `\blank[#1]` on its own;
- column 2 shows what `\blank[#1]` does when it comes after a `\blank[medium]`;
- column 3 shows what `\blank[#1]` does when it comes before a `\blank[medium]`.

<code>small</code> Antelope, caribou, ocelot. Don't want an an- telope nibbling the hoops.	medium + <code>small</code> Antelope, caribou, ocelot. Don't want an an- telope nibbling the hoops.	<code>small</code> + medium Antelope, caribou, ocelot. Don't want an an- telope nibbling the hoops.
