Hence, I am inviting you for a business deal where this money can be shared between us in the ratio of 45% for me and 50% for you, while 5% will be mapped out for expenses if you agree to my proposal. Send me your full name and adders/age/occupation and your phone number.

Please, you have been advised to keep this as top a secret as I am still in service and intend to retire from service after I conclude this deal with you. I will be monitoring the whole situation here in the bank until you confirm the money in your account, I will come down to your country for subsequent sharing of the fund according to percentages previously indicated and further investment, either in your country or any other country you may advice me to invest in. All other necessary information will be sent to you when I hear from you. I suggest you get back to me as soon as possible stating your willingness in this deal.
