Whiteboard Tips

- * If the toolbar is missing, click on the name of whiteboard and it will appear on the far right side of the screen
- * Rename whiteboard by double clicking on name of whiteboard
- * When exiting your room, make sure NO MORE THAN 4 whiteboards are left open. Save your work and close the other whiteboards.
- *To change ink color and tool size:
 - Make sure tool is selected
 - Use the gear icon at the bottom of the toolbar

Do not show again

Vertical toolbar with icons for eraser, highlighter, pencil, line, rectangle, circle, arrow, group, and settings.
